For centuries the deaf community endured a mixture of derision, ignorance and poverty; they suffered what Dr Johnson described as [one of the most desperate of human calamities]. A few schools for deaf children had been founded from

the 1780s but it was

# Get Free 1987 Yamaha Ft9 9xh

only in the early decades of the 19th century that philanthropists, evangelists and the deaf themselves began to create institutions to offer spiritual and temporal care for the deaf adults of the great cities of the industrial revolution. This classic example of Victorian charity has received

little detailed research.

Nick Waite discovered that his own great great grandparents

Stephenson had neither hearing nor speech; in the accepted language of their day they were "deaf and dumb". His story brings together social, local and family history to show how care for Sheffield's profoundly deaf
