A History of US (Concise Edition) Volume A: Prehistory to ...  
A concise history of the United States, the book lives up to it's title, however, it's a bit unorthodox in structure and skips over some major points in U.S. history. This would probably make the book difficult to read for those who aren't familiar with U.S. history. Nevertheless the book is interesting, a good read and supported by many references.
