Thousands of performances of William Shakespeare's plays have been staged since the end of the 16th century. While Shakespeare was alive, many of his greatest plays were performed by the Lord Chamberlain's Men and King's Men acting companies at the Globe and Blackfriars Theatres. Among the actors of these original performances were Richard Burbage, Richard Cowley, and William Kempe. Shakespeare's plays continued to be staged after his death until the Interregnum, when most public stage performan

This book is a must for every actor who strives to ignite the emotion and intent of the characters using Shakespeare's words. By showing the essential distinctions between prose, and rhymed /unrhymed verse; the difference between 'you' and 'thou' and strategies to be used when speaking them, Block helps the actor understand how to best tell the story using the Bard of Avon's exquisite use of the English language.

*Speaking The Speech: An Actor's Guide To Shakespeare ...*

This idea, which we now take for granted, was partly inspired by the publication of scholarly editions of Shakespeare's plays, beginning with Nicholas Rowe's six-volume edition in 1709 and continuing throughout the century, with important editions prepared by Alexander Pope (1725), William Warburton (1747), Samuel Johnson (1765), and Edmond Malone (1790).

*How one actor forever changed the way we see Shakespeare ...*

A Shakespearean speech is the perfect tool to display the actors ability in an audition, allowing the actor to demonstrate a propensity for language, storytelling, and physical characterisation. Most auditions require actors to perform a Shakespearean monologue, and even to an experienced actor, the process of selecting a monologue can be daunting and tedious.

Shakespeare was involved in many aspects of London's professional theatrical world. He was an actor, a playwright, and a shareholder in an acting company known as the Lord Chamberlain's Men, which became the King's Men when James I became king in 1603. His plays were performed on professional stages owned by his company--first the Theatre, and then, after 1599, the Globe.
