This is a long-awaited collaboration between the the 74 year-old King and 55 year-old Clapton. In many ways it is more of a King album than it is a Clapton one, his presence is so strong and dominant and Clapton's respect is such that he almost takes too much of a back seat at times.

B.B. is the undisputed King of the Blues, and I wondered how well he and Eric Clapton would mesh. But then, I heard "Come Rain or Come Shine" on the radio, and I was hooked (some times, I think it is impossible for someone to do a bad job with this song). The title, "Riding With the King" kinda lets us know who is the Boss here.
