The E30 3 Series was the car that defined BMW more than any other during the 1980s, and it has gone on to become a much-loved modern classic. This book tells the full story

Access Free Bmw 735i E32

of the cars from the time in 1976 when work first began on the successor to the original E21 3 Series. This new book features the story of how and why BMW designed their new compact E30 saloon for the 1980s; the styling, engineering and specification changes introduced over the lifetime of the model.
