Crisis communication: practical PR strategies for ...

A crisis management plan (CMP) is a reference tool, not a blueprint. A CMP provides lists of key contact information, reminders of what typically should be done in a crisis, and forms to be used to document the crisis response. A CMP is not a step-by-step guide to how to manage a crisis.

Crisis Management and Communications | Institute for ...

1) Establish the facts first. When a crisis breaks there is a real danger that a CEO will go into crisis shock and immediately go on the defense. Your first role as a manager is to remain composed, establish the facts and ask the right questions.

PR Crisis Communications Plan | Digital Training Institute

Best PR Strategies for 2018 and Beyond Two years ago John Hall, CEO of content marketing agency Influence & Co, declared the traditional press release dead and said that the future of PR was in strategies like thought leadership, content amplification, online reputation management, and an increased use of paid content promotion and social ads.
