What is EFT? EFT is an energy psychology technique. It could also be described as a psychological form of acupuncture in which there are no needles involved. It is a comparatively fast form of therapy in comparison with most other techniques available in the world today.

Nick Ortner, founder of the Tapping World Summit and best-selling filmmaker of *The Tapping Solution*, is at the forefront of a new healing movement. In his upcoming book, *The Tapping Solution*, he gives readers everything they need to successfully start using the powerful practice of tapping – or Emotional Freedom Techniques (EFT). Tapping is one of the fastest and easiest ways to address both the emotional and physical problems that tend to hamper our lives. Using the energy meridians of the body, practitioners tap on specific points while focusing on particular negative emotions or physical sensations. The tapping helps calm the nervous system to restore the balance of energy in the body, and in turn rewire the brain to respond in healthy ways. This kind of conditioning can help rid practitioners of everything from chronic pain to phobias to addictions. Because of tapping's proven success in healing such a variety of problems, Ortner recommends to try it on any challenging issue. In *The Tapping Solution*, Ortner describes not only the history and science of tapping but also the practical applications. In a friendly voice, he lays out easy-to-use practices, diagrams, and worksheets that will teach readers, step-by-step, how to tap on a variety of issues. With chapters covering everything from the alleviation of pain to the encouragement of weight loss to fostering better

Get Free Eft Tapping Guide

relationships, Ortner opens readers' eyes to just how powerful this practice can be. Throughout the book, readers will see real-life stories of healing ranging from easing the pain of fibromyalgia to overcoming a fear of flying. The simple strategies Ortner outlines will help readers release their fears and clear the limiting beliefs that hold them back from creating the life they want.

A step-by-step guide to the simple acupressure self-care technique of tapping for acute and chronic emotional, psychological, and physical ailments * Effective for emotional conditions such as panic attacks, anxiety, depression, PTSD, grief, anger, jealousy, and phobias, such as stage fright or fear of flying, providing immediate results in many cases * Shows how this method can treat chronic pain, nausea, and headaches; alleviate insomnia and nightmares; encourage the release of painful memories; boost self-confidence; support weight loss; and improve concentration * Offers the full tapping protocol as well as a shortened version for acute situations * Illustrates easily accessible points to tap and in what order Tapping, or Emotional Freedom Technique (EFT), is a simple form of acupressure that treats the energetic roots of emotional and physical suffering. By tapping on specific meridian points you can quickly and easily dissolve blockages in the body's energy system, caused by past traumas and suppressed emotions such as grief and anger, and restore the natural flow of energy in your body, the key to optimal health and overall well-being. In this step-by-step guide to EFT, Sophie Merle details the practice of tapping, illustrating the easily accessible points on the face, hands, and torso to tap and in what order. Explaining how to open your energetic system to EFT treatment for fast and long-lasting results, she reveals how the energy psychology

The author explains how tapping can be done anywhere, offering both the full tapping protocol, which only takes a few minutes, and a short-form version, which takes less than a minute, for acute issues. Including remarkable success stories of EFT in practice, this comprehensive guide to tapping shows how the solution to many of life's problems is at your fingertips.

This book presents the research and evidence behind Emotional Freedom Technique in an easy-to-read manner and also offers client stories of their experiences. What is EFT, and what happens when you use it? Emotional Freedom Techniques, or simply EFT, is a powerful way to deal with unresolved issues, transform beliefs, and reprogram yourself for greater happiness and success. Commonly called "tapping," EFT has been utilized by thousands people worldwide. If you're holding this book, you've probably tried it at least once--or heard about it from a friend. EFT researcher and author Peta Stapleton, Ph.D., brings together the history and cutting-edge research of tapping. She also shows how tapping can be used for a whole

Get Free Eft Tapping Guide

host of ailments, including anxiety, weight issues, depression, trauma, and more. Dr. Stapleton's own groundbreaking study involving food cravings in overweight adults helped establish EFT as an effective, valid form of therapy. In *The Science behind Tapping*, you'll come away with a deeper understanding of what EFT is and how it can help you. The book starts with a beginner's guide to EFT, which includes tapping statements and phrases, as well as helpful charts showing the location of tapping acupoints on the face and upper body. After taking you through its many uses, Dr. Stapleton also explores the common obstacles to success with EFT--and how to combat them. Get ready to learn more about EFT and its incredible possibilities.

Achieve Emotional FREEDOM and Happiness for Life! Includes a FREE BONUS! This book teaches you how to use EFT Tapping and Affirmation Statements to reach your goals and dreams. It also gives you helpful tips and techniques to take advantage of the benefits of EFT and positive thinking in getting the things you want. This effective technique will also help with anxiety and phobias. The Emotional Freedom Technique is a collection of exercises, based on the psychology of Dr Roger Callahan, which removes hindrances to your goals by examining the unresolved emotional issues which are holding you back. The techniques in this book will show you tried and tested methods for you to use in your own life. Instead of a passive philosophy, EFT allows you to be pro-active and positively take control of your own emotional well-being. EFT allows you to be free of potentially damaging crutches, such as medications, and gives the power back to you. EFT can be used not only to help you implement positive goals but to help aid in weight loss and overcome addictions. By using these methods you can

Provides information on using EFT to treat post-traumatic stress disorder, including the basics of EFT, special advice for combat veterans, ways to improve EFT's effectiveness.

Do you recognize all people who use emotional freedom technique (EFT), or EFT tapping, to help combat depression or tension? Are you wondering what EFT is all approximately and how it works? Emotional freedom technique is used to manage tension in the body and worry in the thoughts. The underlying principle of EFT is that all emotions and thoughts are forms of energy. This energy, whether positive or negative, has very real physical manifestations that affect all functions of the body. While the human body possesses a natural recovery capacity, stress and emotional problems can stand in the way. That is where emotional freedom technique comes in. Individuals who enjoy benefits practice tapping techniques find that they help clear their mind, focus their attention on the present moment similar to how meditation does) and

More than 100 million Americans deal with chronic pain every day. And if you're one of them, you've probably tried all the normal "solutions": doctors, injections, medications, and surgeries. While these all have a place in healing, they have fallen short in dealing with the pain epidemic. So what can you do? In *The Tapping Solution for Pain Relief*, Nick Ortner presents a startling alternative. He lays out a step-by-step plan that teaches you how to use tapping, or EFT (emotional freedom techniques), to reduce or eliminate chronic pain. Looking at the scientific research surrounding pain, stress, and tapping, he opens your eyes to just how powerful tapping can be, and then outlines tips and techniques to address pain in both the short and long term. Nick guides you on a journey that begins on the surface—tapping to address the pain itself—and moves to the deeper issues that often affect pain. With easy-to-follow tapping scripts and exercises, Nick helps you heal the emotional pain and underlying beliefs that often keep people stuck. He also addresses topics that you may not think of as associated with chronic pain, such as:

- Creating personal boundaries
- Dealing with toxic relationships
- Clearing resistance to change
- Understanding the power of a diagnosis
- Working through anger

There are many ways the brain and body can create, increase, and prolong pain. After reading this book, you'll not only understand what's causing your pain but also how to achieve complete and lasting relief. But let's face it; this is about more than just

Get Free Eft Tapping Guide

pain relief. It's about empowering yourself to take back your body in order to live the life you want.

EFT Founding Master Judy Byrne gives you practical advice on how to use Emotional Freedom Technique to improve your emotional well-being and change your life.
