The 'benchmark' Model Engineer Competition featured, for the first time, at the National Model Engineering Exhibition held at Doncaster in April 2019. Just as in previous competitions, Gold, Silver and Bronze Medals were awarded, as were certificates for Very Highly Commended, Highly Commended and Commended entries. A selection of the usual trophies were also awarded.

~~S34 – Toolbox Talk Workshop Safety  
– General Rules~~

Engineering workshops are common in small and medium-sized businesses across the country. The machines in such workshops perform a large range of tasks. These include welding, sawing, guillotining, grinding, drilling, painting, radiography and bending. Engineering workshops are therefore potentially hazardous environments.
