This report builds on the interim report, Evaluation of the Taylor Review Pilot - Emerging Monitoring and Evaluation Evidence: September 2018 to March 2019, published in January 2020.

The Taylor Review Pilot: final evaluation - GOV.UK

A project evaluation is usually done for any project that has already been executed by the company ' s project manager. A project report is made based on the data collected while the project was ongoing and its success rate. However, to create a project evaluation report from scratch, at times, we require a bit of guidance.
