mother! Every woman is familiar with the poignant, funny, baffling, or horrifying echoes that resonate at that moment when she first hears her own mother's voice coming out of her mouth. But this moment of recognition is more than ironic: it's at the root of how we see ourselves, and how we plot and follow the arc that goes from childhood to motherhood.

"Every step in filmmaking has been a completely new world for us" What inspired you to create Dog Days?. This film was made by an all-female crew. As women in our 20s, we're able to understand the idea of being a mother from a wider point of view, but we also know what it's like to be young and rebellious with ineffable feelings that are a mixture of love and hate.

Mothers and daughters go through so much—yet when was the last time a mother and daughter sat down collectively to write a book together about it all? Perri Klass and her mother, Sheila Solomon Klass, both gifted professional writers, prove to be ideal collaborators as they examine their decades of motherhood, daughterhood, and the wonderful, if sometimes fraught, ways their lives have overlapped. Perri notes with amazement how closely her own life has mirrored her mother's: Both have full-time careers (Perri is a pediatrician; Sheila is recently retired from a long career as a college English professor but goes

Read Book Every Mother Is A Daughter The

on teaching); both have published books, articles, and stories; each has three children; they both love to read, and to pass books back and forth. They also love to travel—in fact, they often take trips together (and live to tell the tale). But in truth, the harder they look at their lives, the more Perri and Sheila acknowledge their profound differences in circumstance and temperament. A child of the Depression, Sheila was raised in Brooklyn by Orthodox Jewish parents who considered education an unnecessary luxury for girls. Starting with her college education, she has fought for everything she's ever accomplished. Perri, on the other hand, grew up privileged and

Read Book Every Mother Is A Daughter The

rebellious in the New Jersey suburbs of the 1960s and 1970s. For Sheila, fanatically frugal, wasting time or money is a crime, and luxury is unthinkable while Perri enjoys the occasional small luxury, but has not been successful at enticing her mother into even the tiniest self-indulgence. Each writing in her own unmistakable voice, Perri and Sheila take turns exploring the joys and pains, the love and resentment, the petty irritations and abiding respect, that have always bound them together. Sheila recounts the adventure of giving birth to Perri in a tiny town in Trinidad where her husband was doing anthropological fieldwork. Perri confesses that she can't tame her domestic chaos

Read Book Every Mother Is A Daughter The

Even though she knows it drives her mother crazy, Sheila rhapsodizes about the bliss of becoming a grandmother. Perri marvels at her mother's fearless navigation of the New York City subways. Together they compare thoughts on bringing up children and working, confess long-hidden sorrows, relish precious memories—and even offer family recipes and knitting patterns. Looking deep into the lives they have lived separately and together, Perri and Sheila tell their mother-daughter story with honesty, humor, zest, and mutual admiration. A memoir in two voices, *Every Mother Is a Daughter* is a duet that resonates with the experiences that all mothers and daughters will

recognize. **Non-Ending Quest For**

Success Inner Peace And A

This book is about the final frontier for women: having control over your own body, whether in zones of conflict, in rural villages, on university campuses or in your own kitchen. Recent studies by economists such as Jeffrey Sachs and social scientists such as Isobel Coleman claim that women who gain such control--who are not oppressed--are the key to economic justice and the end to violence in developing countries around the world. **Really Clean Kitchen Recipes And Kitting Patterns Included**

Ascent of Women will describe the perilous journey that brought women to this point. It will tell the dramatic and empowering stories of change-makers and examine the stunning courage, tenacity and

Indispensable, some familiar and many surprising. From Mother to Daughter celebrates the special relationship between mothers and daughters and captures the wisdom and common sense that comes from many lifetimes of experience. It is a gift that no one can give without remembering something her own mother said. Advice like: "If you don't love it in the store you'll never wear it;" "Make friends with people who encourage and inspire you;" and "When you fall, pick up something while you're down there!"

The complex, deeply binding relationship between mothers and daughters is brought vividly to life in Katie Hafner's remarkable memoir, an exploration of the

Read Book Every Mother Is A Daughter The

year she and her mother, Helen, spent working through, and triumphing over, a lifetime of unresolved emotions. Dreaming of a “year in Provence” with her mother, Katie urges Helen to move to San Francisco to live with her and Zoë, Katie’s teenage daughter. Katie and Zoë had become a mother-daughter team, strong enough, Katie thought, to absorb the arrival of a seventy-seven-year-old woman set in her ways. Filled with fairy-tale hope that she and her mother would become friends, and that Helen would grow close to her exceptional granddaughter, Katie embarked on an experiment in intergenerational living that she would soon discover was filled with land mines: memories of her

Read Book Every Mother Is A Daughter The

parents' painful divorce, of her mother's drinking, of dislocating moves back and forth across the country, and of Katie's own widowhood and bumpy recovery. Helen, for her part, was also holding difficult issues at bay. How these three women from such different generations learn to navigate their challenging, turbulent, and ultimately healing journey together makes for riveting reading. By turns heartbreaking and funny—and always insightful—Katie Hafner's brave and loving book answers questions about the universal truths of family that are central to the lives of so many. Praise for *Mother Daughter Me* "The most raw, honest and engaging memoir I've read in a long time." —KJ
