Gain the knowledge and skills you need to move from interview candidate, to team member, to leader with this fully updated Fourth Edition of Business and Professional Communication by Kelly M. Quintanilla and Shawn T. Wahl. Accessible coverage of new communication technology and social media prepares you to communicate effectively in real world settings. With an emphasis on building skills for business writing and professional presentations, this text empowers you to successfully handle important work-related activities, including job interviewing, working in team, strategically utilizing visual aids, and providing feedback to supervisors. New to the Fourth Edition: A New "Introduction for Students" introduces the KEYS process to you and explains the benefits of studying business and professional communication. Updated chapter opening vignettes introduce you to each chapter with a contemporary example drawn from the real world, including a discussion about what makes the employee-rated top five companies to work for so popular, new strategies to update PR and marketing methods to help stories stand out, Oprah Winfrey's 2018 Golden Globe speech that reverberated throughout the #metoo movement, Simon Sinek's "How Great Leaders Inspire Action" TED talk, and the keys to Southwest Airlines' success. An updated photo program shows diverse groups of people in workplace settings and provides current visual examples to accompany updated vignettes and scholarship in the chapter narrative.

The goal is to successfully demonstrate how business communication works in the world, helping readers understand the concepts behind effective communication while they develop and refine their own skills. Presents the dynamics of business communication with a lively, conversational writing style that takes readers inside leading companies to (1) learn the basic principles of business communication, (2) understand important communication issues, and (3) profit from up-to-date discussions of the latest developments. Anyone needing professional communication skills.

This book offers users the tools they need to succeed in today's workplace by developing their essential communication skills. Three easy-to-follow steps (planning, writing, and completing business messages) offer learners a practical strategy for writing and delivering business messages. Abundant sample documents demonstrate how to apply the principles being discussed. This is the only book that offers business communication experience in every chapter through real-world on-the-job simulations featuring actual companies and real-world business documents. These simulations provide a unique opportunity to apply concepts to real events and to sharpen business communication problem-solving skills. A five-part organization covers the foundations of business communication; the three-step writing process; letters, memos, e-mail, and other brief messages; reports and oral presentations; and employment messages. For business professionals--at any level--seeking to improve their oral and written communication skills.

Ensure you are job-ready with the number one choice in the field -- Guffey/Lowey's ESSENTIALS OF BUSINESS COMMUNICATION, 11E. In a time when writing and communication skills rank high on recruiters' wish lists, this tried-and-true book helps you develop job-readiness for the 21st century. ESSENTIALS highlights best practices and strategies backed by leading-edge research to strengthen professionalism, expert writing techniques, workplace digital savvy and resume-building skills. Learn how writing is central to business success, regardless of the communication channel. ESSENTIALS discusses best practices for social media and mobile technology while equipping you with critical skills using grammar exercises, documents for editing and grammar practice other books don't offer. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This full colour text provides a dynamic way of bringing the real world into the classroom. It is the only textbook to combine all the basic principles with real-world simulations featuring actual companies - simulations which provide students with on the job experience in ways that no other textbook can match.
