Forgotten Ally recounts the history of China's role in World War II from both an external power perspective and the internal struggle between the nationalists and the communists. Covering the year of 1937-1945 (invasion of Manchuria until the peace treaty) the book looks at how China was the sole defender against Axis aggression before the war began.

## **The Forgotten Ally: China's Unsung Role in World War II**

Forgotten Ally: China's World War II, 1937-1945. Rana Mitter.

The epic, untold story of China's devastating eight-year war of resistance against Japan. For decades, a major piece of World War II history has gone virtually unwritten. The war began in China, two years before Hitler invaded Poland, and China eventually became the fourth great ally, partner to the United States, the Soviet Union, and Great Britain.
