Carlos is a lover of women. He loves them passionately, intensely, and deeply, and he tries to be sincere and tender. He is sensual and caring, generous in his affection and attention, and prone to fall ardently in love. His sensual adventures, filled with the pursuit of beauty and every possible hedonistic pleasure, take him to three different countries. In each country, he loses his heart on the perpetual quest for the elusive love of his life. He knows that each woman he romances is ready to be loved, and it ' s up to him to unlock the mystery of her inner heart if he desires access to more. But on his lust-fueled quest, he finds an unexpected surprise in an older woman. Has he finally found the one woman he could love forever in this sophisticated and beautiful woman he meets? Is she the woman of his dreams, his fantasies, his heart ' s desire? Only time will tell. The heart wants what the heart wants, and Carlos knows just how far he will go to see his most fervent dreams come true.

"The first woman in the world to exceed 300 mph in a dragster"--Cover.

Witness a plan born of desperation and altered by passion in New York Times bestselling author Julia London ' s classic, The Devil Takes a Bride. Once the toast of society, Grace Cabot and her sisters now await the shame of losing high status and fine luxuries upon the death of the Earl of Beckington. The dire circumstances are inevitable unless, of course, Grace ' s wicked plot to seduce a wealthy viscount into marriage goes off without a single hitch. But once a stolen embrace with the wrong man leads her to be discovered in the arms of Jeffrey, the Earl of Merryton, her plan takes a most unexpected—and scorching—twist. Governed by routine and ruled by duty, Jeffrey had no desire for a wife before he succumbed to Grace ' s temptation. Though his golden-haired, in-name-only bride is the definition of disorder, he can ' t resist wanting her in every way. But once her secrets meet his, society might consider their lives to be ruined beyond repair...while Jeffrey might just see it as a new beginning. Originally published in 2015

The future should be bright for Deborah Vandermark, who is now pursuing her interest in medicine alongside Dr. Christopher Clayton, who is courting her. But the lumber town is resistant to the idea of a woman physician, and she feels thwarted at every turn. A more devastating blow occurs, however, when Christopher breaks off their relationship to return home to his troubled family. Despite her own love life going awry, Deborah is still intent to be a matchmaker for both her widowed mother and her brother, who has caught the eye of the spit-fire daughter of the local pastor. But what will Deborah do when faced with the truth about Christopher's family? Is there hope for the two of them...or will Jake Wyeth's attentions finally catch Deborah's eye instead?

As Matthew Fox notes, when an aging Albert Einstein was asked if he had any regrets, he replied, " I wish I had read more of the mystics earlier in my life. " The 365 writings in Christian Mystics represent a wide-ranging sampling of these readings for modern-day seekers of all faiths — or no faith. Fox is uniquely qualified to comment on these profound, sometimes startling, often denounced insights. In 1998, this longtime member of the Dominican Order was silenced by Cardinal Ratzinger, now Pope Benedict, for his Creation Spirituality, an ecumenical teaching that embraces gender justice, social justice, and eco-justice. The daily readings he shares here speak to the sacredness of the earth, awe and gratitude, darkness and shadow, compassion and creativity, sacred sexuality, and peacemaking.

The dramatic account of the search for the bodies of George Mallory and Andrew Irvine on Everest is now in paperback. 80 color photos. 20 historical sepia photos. Maps.

Books of the Old Testament translated from the Navarre (Spanish) Bible - Joshua, Judges, Ruth, 1 & 2 Samuel, 1 & 2 Kings. This volume, which follows the pattern of the highly successful Navarre Bible New Testament (1985-1992), consists of the Revised Standard Version and the New Vulgate with a Commentary by members of the Faculty of the University of Navarre, Spain. The main feature of The Navarre Bible is the notes and introductions provided by the editors; these notes, which are rarely very technical, are designed to elucidate the spiritual and theological message of the Bible. This first edition of the Old Testament series was Navarre Bible: Pentateuch standard edition (1999) which also carries the Western Church's official Latin version of the Bible, the editio tipica altera of the New Vulgate (1986).
