The United States Air
Force School of
Aerospace Medicine is
the United States Air
Force organization
focused on education,
research, and
operational consultation
in aerospace and
operational medicine.

USAFSAM was

Online Library Genetics Us

founded in 1918 to conduct research into the medical and physiologic domains related to human flight, and as a school for medical officers trained to support military aviation operations, later coined as flight surgeons. The school supported early military aviation from World War I thro
