Health, Tourism and Hospitality on Apple Books

Sometimes the term "health tourism" is also used as a catch-all to describe many types of medical and wellness services and activities—from open heart surgery and dental care to destination spas and yoga retreats—causing further confusion. In fact, these two sectors operate largely in separate domains and meet different consumer needs.

What is Wellness Tourism? - Global Wellness Institute

The difference between wellness-themed and actual wellness hospitality. Any property can facilitate wellness, but as Horwath HTL explains, there is a big difference between being wellness-themed, and actually helping guests with their health and wellness.

Trend Digest: Health and Wellness In Hospitality

It rapidly became apparent that there was a consensus as to its relevance, with the statement "Health, Wellness & Spa are a growing and significant driver of the hospitality and travel business for tomorrow and into the future", scoring a clear-cut mean of 4.44 on a scale from 1 (strongly disagree) to 5 (strongly agree). The landscape was considered differentiated, including life care and senior healthcare, with a mean of 4.64 indicating that these areas would expand into the future, and ...
