Hollywood Hogan - Muppet Wiki
With Hulk Hogan, Freddie Blassie, Gerald Brisco, Pat Patterson.

You think you know Hollywood Hulk Hogan™? Brother, you don't know squat about me. Yeah, I'm the towering red-and-yellow warrior who revolutionized the wrestling business, the larger-than-life superhero who transformed an entire country into a horde of Hulkamaniacs. I'm the guy who spit blood and breathed fire to help create an empire called World Wrestling Entertainment™. But it wasn't always like that. Once I was a fat kid named Terry Bollea watching legends like Dusty Rhodes and Superstar Billy Graham, never dreaming I'd be a professional wrestler myself one day. Run with me on the streets of Tampa, where a bass guitar became my salvation. Fight alongside me in the wrestling arenas of Japan, where opponents try to bite your fingers off to make a name for themselves. Slide into the ring with me against 700-pound Andre the Giant, who only became my best friend after he found out he couldn't beat me down. Then cruise L.A. with me and Sylvester Stallone on the heels of Rocky III. Learn why Minnesota Governor Jesse Ventura hates my guts. Go head-to-head with Dennis Rodman in a hard-liquor drinking contest, and share a dressing room with Liberace. Find out what makes me cry like a baby, what makes my blood boil, what I think of Jesus Christ, and what scares the living hell out of me. Then tell me you know the man called Hollywood Hulk Hogan. Join the Babe Ruth of wrestling on a gritty, no-holds-barred odyssey from his start in the barbaric wrestling arenas of the seventies through the heartbreak of potentially career-ending surgery to the achievement of his greatest triumph yet. Along the way, lock up with the likes of Cyndi Lauper, Andy Kaufman, Dolly Parton, Mr. T, Ted Turner, George Foreman, Jay Leno, Undertaker, Triple H, The Rock...and of course, Vince McMahon, head of World Wrestling Entertainment™. They're all in here, waiting to show you what they've got. Hollywood Hulk Hogan™. It's the real deal, brother.

WrestleCrap: The Very Worst of Professional Wrestling examines some of the ridiculously horrible characters and storylines that pro wrestling promoters have subjected their fans to over the past twenty years. Why would any sane person think that having two grown men fight over a turkey was actually a reasonable idea? Was George Ringo, the Wrestling Beatle, really the best gimmick that a major promotional organization could come up with? And who would charge fans to watch a wrestler named the Gobbeldy Gooker emerge from an egg? In an attempt to answer such questions and figure out just what the promoters were thinking, authors Randy Baer and R.D. Reynolds go beyond what wrestling fans saw on the screen and delve into the mindset of those in the production booth. In some instances, the motivations driving the spectacle prove even more laughable than what was actually seen in the ring. Covering such entertainment catastrophes as an evil one-eyed midget and a wrestler from the mystical land of Oz, not to mention the utterly comprehensible Turkey-on-a-Pole match (a gimmick which AWA fans might recall), WrestleCrap is hysterically merciless in its evaluation of such organizations as the WCW and the WWF. This retrospective look at the wrestling world's misguided attempts to attract viewers will leave wrestling fans and critics alike in stitches.

A biography of the professional wrestler, Terry Bollea, better known as Hulk Hogan or Hollywood Hogan, from his childhood in Florida through his early wrestling career to his show business success.

CHBiographies

A biography of the professional superstar wrestler known as "Hollywood" Hulk Hogan.

An NPR Book Concierge Best Book of 2018! A Sunday Times of London Pick of the Paperbacks A stunning story about how power works in the modern age--the book the New York Times called "one helluva page-turner" and The Sunday Times of London celebrated as "riveting...an astonishing modern media conspiracy that is a fantastic read." Pick up the book everyone is talking about. In 2007, a short blogpost on Valleywag, the Silicon Valley-vertical of Gawker Media, outed PayPal founder and billionaire investor Peter Thiel as gay. Thiel's sexuality had been known to close friends and family, but he didn't consider himself a public figure, and believed the information was private. This post would be the casus belli for a meticulously plotted conspiracy that would end nearly a decade later with a \$140 million dollar judgment against Gawker, its bankruptcy and with Nick Denton, Gawker's CEO and founder, out of a job. Only later would the world learn that Gawker's demise was not incidental--it had been masterminded by Thiel. For years, Thiel had searched endlessly for a solution to what he'd come to call the "Gawker Problem." When an unmarked envelope delivered an illegally recorded sex tape of Hogan with his best friend's wife, Gawker had seen the chance for millions of pageviews and to say the things that others were afraid to say. Thiel saw their publication of the tape as the opportunity he was looking for. He would come to pit Hogan against Gawker in a multi-year proxy war through the Florida legal system, while Gawker remained confidently convinced they would prevail as they had over so many other lawsuit--until it was too late. The verdict would stun the world and so would Peter's ultimate unmasking as the man who had set it all in motion. Why had he done this? How had no one discovered it? What would this mean--for the First Amendment? For privacy? For culture? In Holiday's masterful telling of this nearly unbelievable conspiracy, informed by interviews with all the key players, this case transcends the narrative of how one billionaire took down a media empire or the current state of the free press. It's a study in power, strategy, and one of the most wildly ambitious--and successful--secret plots in recent memory. Some will cheer Gawker's destruction and others will lament it, but after reading these pages--and seeing the access the author was given--no one will deny that there is something ruthless and brilliant about Peter Thiel's shocking attempt to shake up the world.

He's called the human highlight reel of professional wrestling. His high-flying acrobatics have thrilled fans on every continent. He's been crowned champion of the world's greatest wrestling promotions, from Mexico to the U.S. But he's never revealed the inside story of who he is. Until now. Wrestling fans know him as Rey Mysterio, an American luchador of unparalleled talent, the ultimate proof that good things come in small packages. Now for the first time, Rey adds the personal side to the story:
• How he had to fight to get a tryout in the ring
• Who he was before Rey Misterio Jr. -- and even before Colibri, usually noted as his first identity
• What it was like to wrestle in Mexico -- from the bullrings to the riots
• How he fought plans for his unmasking in WCW -- and why he wishes he hadn't succeeded
• The inside story of the 619, the West Coast Pop, and his other signature moves
• The impact of Eddie Guerrero on his career in WWE
• The personal struggle that cost him ring time in 2008 but ultimately made him a stronger man
• His real passion in life as husband and father In Rey Mysterio: Behind the Mask, Rey talks candidly about his twenty-plus-year career, from the days of sneaking into bars as a fourteen-year-old to his most recent showdowns in WWE. He speaks of the emotional moments in the ring with his uncle Rey Misterio, and the dark days when he went under the knife to repair his damaged knee. Along the way, Mysterio introduces American audiences to the mysteries of lucha libre, the high-flying, anything-goes Mexican wrestling style that he has done so much to popularize in the U.S. He also talks about the debts he owes to wrestlers such as Konnan, known as the Mexican Hulk Hogan, and dishes some behind-the-scenes dirt on the collapse of WCW at the height of the Monday Night Wars. Mysterio talks tenderly -- but realistically -- of his friend Eddie Guerrero, providing a well-rounded picture of one of the most beloved wrestling figures of recent history. He also details his march toward the Heavyweight Championship, and his mastery of the WWE Triple Crown -- a feat that placed him in an elite group for all time. Behind the Mask is the intimate portrait of one of wrestling's all-time greats, a story wrestling fans of all ages won't want to miss.
