IB Geography 2019 (New Syllabus)

This helps students develop an appreciation of, and a respect for, alternative approaches, viewpoints and ideas. The geography course embodies global and international awareness in several distinct ways. It examines key global issues, such as poverty, sustainability and climate change. It considers examples and detailed case studies at a variety of scales, from local to regional, national and international.

Internal Assessment. Your geography internal assessment is an important part of your IB examination and contributes 20% towards the final grade for HL students and 25% towards the final grade for SL students. The booklet is designed to help you to get the best mark possible in your internal assessment. If you read the IB marking criteria, follow my advice and tick every box, then your internal assessment should be of a high standard.
