Because the 996 is the same bike, but more refined and as such, if you are going to ride your investment, the 996 will be a more enjoyable horse. The ultimate embodiment of that is the 996R – the Racing spec includes all-round Öhlins suspension, carbon fibre bodywork, a revised fairing and, most significantly, a newly redesigned engine, the Testastretta which actually displaced 998cc not 996cc.
