980 B.C. Having succeeded in bringing peace and prosperity to his people, King Solomon, the son of David, is determined to build a magnificent temple on the rock of Jerusalem. A temple where the sacred Ark of the Covenant could be housed. A temple to rival in splendour the great pyramids of Egypt: a land he both loathed and admired. As no Hebrew craftsman could succeed in such an enterprise, Solomon summoned an expert mason from Phoenicia: Master Hiram, a strange, solitary man well-versed in the innovative techniques of Egyptian architecture. So began an uneasy friendship between the King and the craftsman. A friendship which bridged two very different cultures and civilisations. A friendship thrown in turmoil when the two men fell in love with the same woman: Balkis, the beautiful Queen of Sheba.

Simply create the patterns for skirts, dresses, blouses, coats, blazers, and pants according to your measurements. Whether you are a professional tailor or sewing is your favorite hobby - this book supports you with practical step-by-step instructions in creating suitable sewing patterns. Get valuable professional tips from master tailor Sven Jungclaus and start sewing!

Of course, these publications were not aimed solely at fellow naturists; although their content and context was strictly non-sexual, the ample swathes of female flesh they offered nonetheless provided the average man with the only masturbatory material which was freely available. Jean le Baptiste has assembled from his own collection a stunning array of vintage
