exemplary work of German cultural studies that situates literature in the realm of historical complexity without dissolving it into mere thematic documentation: instead, Brockmann's judicious surveys of the literary-historical landscape of contemporary Germany demonstrate the necessary vitality of literature as the "imaginative space" of the nation."

Literature and German Reunification (Cambridge Studies in ...

German literature began to break out of the socialist realist aesthetic of the 1940s, 1950s, and early 1960s and to win acceptance in the West as part of a larger German cultural project - as contributing not just to GDR literature but to German literature as a whole. German literature began, paradoxically, to "converge" at precisely

LITERATURE AND GERMAN REUNIFICATION

Literature and German Reunification is an exemplary work of German cultural studies that situates literature in the realm of historical complexity without dissolving it into mere thematic documentation: instead, Brockmann's judicious surveys of the literary-historical landscape of contemporary Germany demonstrate the necessary vitality of literature as the "imaginative space" of the nation.

Literature and German Reunification: Brockmann, Stephen ...

This book is a systematic attempt to examine the literary consequences of German reunification. Placing the concept of the Kulturnation at the centre of its analysis, the book explores the ways in which literature both responds to and helps to constitute notions of German national identity. Previous studies of German literature have tended to avoid the problem of nationhood: this is one of the ...

need to come to terms with this experience was comparable to the soul-searching that had been undertaken after the end of World War II.

German literature - The 20th century | Britannica

"Literature and German Reunification is an exemplary work of German cultural studies that situates literature in the realm of historical complexity without dissolving it into mere thematic documentation: instead, Brockmann's judicious surveys of the literary-historical landscape of contemporary Germany demonstrate the necessary vitality of literature as the "imaginative space" of the nation."

Literature and German Reunification: Brockmann, Stephen ...

The literature scenario was basically divided in two categories: some of the most influential authors were supportive of the socialist State separated from the "capitalist" Federal Republic of Germany; yet there was also a circle of writers that felt the desire for German unity, as evidenced by those who firmly supported the idea of the existence of a shared culture between East and West that could not be separated by boundaries nor politics.

This book explores the effects of Germany's unification in 1990 on its policies toward the European Union.

Twenty years after the fall of the Berlin Wall, this important book explores the role of France in the events leading up to the end

Read Book Literature And German Reunification

of the Cold War and German unification. Most accounts concentrate on the role of the United States and look at these events through the bipolar prism of Soviet-American relations. Yet because of its central position in Europe and of its status as Germany's foremost European partner, France and its President, Francois Mitterrand, played a decisive role in these pivotal international events: the peaceful liberation of Eastern Europe from Soviet rule starting in 1988, the fall of the Berlin Wall and Germany's return to unity and full sovereignty in 1989/90, and the breakup of the USSR in 1991. Based on extensive research and a vast amount of archival sources, this book explores the role played by France in shaping a new European order.

This work provides an analysis of the moves and manoeuvres that brought an end to the Cold War division of Europe. Coverage includes discussion of the opening of the Berlin Wall and a study of the relationship between West German Chancellor Helmut Kohl and reform Communist leader, Hans Modrow.

A revised edition of "The Two Germanies since 1945" which discussed the partitioning of Germany after World War II and the formation of the two states. This revised text covers unification - the exodus of East Germans to the Federal Republic, breaching of the Berlin Wall and overthrow of communism.

Read Book Literature And German Reunification

Germany Divided remains one of the most thought-provoking and comprehensive interpretations of the forty-year relationship between East and West Germany and of the problems of contemporary German unity. In this politically controversial and analytically sophisticated account, A. James McAdams dissects the complex process by which East and West German leaders moved over the years from first pursuing the ideal of German unity, to accepting what they believed to be the inescapable reality of division, and then, finally, to meeting the challenges of an unanticipated reunification. This new edition contains an epilogue in which McAdams considers some of the political and economic problems faced by eastern and western Germans as they entered their fourth year of living together.

In the Wall Jumper, real people cross the Wall not to defect but to quarrel with their lovers, see Hollywood movies, and sometimes just because they can't help themselves—the Wall has divided their emotions as much as it has their country.
