Mark Twain: Young Writer (Childhood of Famous Americans ... Describes the boyhood of Samuel Clemens in Missouri and how he came to begin a writing career under the pen name Mark Twain.

Samuel Langhorne Clemens is perhaps best known by his pen name Mark Twain. He was a writer of such classic American novels as The Adventures of Tom Sawyer and the Adventures of Huckleberry Finn. Twain grew up in Hannibal, Missouri, served as an apprentice printer, and wrote newspaper articles. Later he was a riverboat pilot on the Mississippi River before heading west to work as a miner. Eventually he settled on writing as a career. Mark Twain was born shortly after a visit by Halley's Comet, and he predicted that he would "go out with it", too. He died the day following the comet's return. Now readers can explore how his childhood influenced his life.

Describes the boyhood of Samuel Clemens in Missouri and how he came to begin a writing career under the pen name Mark Twain.

Selected from Mark Twain's typescript.

Thirteen-year-old Susy Clemens wants the world to know that her papa, Mark Twain, is more than just a humorist and sets out to write a comprehensive biography of the American icon. By the creators of the Sibert Award Honor Book What To Do About Alice?

New York Times Bestseller! A School Library Journal Best Book A never-before-published, previously unfinished Mark Twain children's story is brought to life by Philip and Erin Stead, creators of the Caldecott Medal-winning A Sick Day for Amos McGee. In a hotel in Paris one evening in 1879, Mark Twain sat with his young daughters, who begged their father for a story. Twain began telling them the tale of Johnny, a poor boy in possession of some magical seeds. Later, Twain would jot down some rough notes about the story, but the tale was left unfinished . . . until now. Plucked from the Mark Twain archive at the University of California at Berkeley, Twain's notes now form the foundation of a fairy tale picked up over a century later. With only Twain's fragmentary script and a story that stops partway as his guide, author Philip Stead has written a tale that imagines what might have been if Twain had fully realized this work. Johnny, forlorn and alone except for his pet chicken, meets a kind woman who gives him seeds that change his fortune, allowing him to speak with animals and sending him on a quest to rescue a stolen prince. In the face of a bullying tyrant king, Johnny and his animal friends come to understand that generosity, empathy, and quiet courage are gifts more precious in this world than power and gold. Illuminated by Erin Stead's graceful, humorous, and achingly poignant artwork, this is a story that reaches through time and brings us a new book from America's most legendary writer, envisioned by two of today's most important names in children's literature. A Bank Street College of Education Best Children's Book of the Year "Will capture the imaginations of readers of all ages"--USA Today, (out of four stars) "Samuel Langhorne Clemens himself would be proud."--Booklist, starred review "A cast of eccentric characters, celestially fine writing, and a crusade against pomp that doesn't sacrifice humor."--Publishers Weekly, starred review "Completing a story penned by arguably America's greatest humor, is no easy feat, but the Caldecott-winning author-illustrator (and husband-wife) team proves more than equal to the task. . . . A pensive and whimsical work that Twain would applaud"--Kirkus, starred review "The combination of Twain's (often sarcastic) humor and "lessons of life," a touch of allegory, and Stead's own storytelling skills result in an awesome piece of fantasy."--School Library Journal, starred review "Beautifully understated and nuanced illustrations by Erin Stead add the finishing flourishes to this remarkable work."--Shelf Awareness, starred review "drawn with a graceful crosshatched intelligence that seems close to the best of Wyeth."--Adam Gopnik, The New York Times "Twain and the two Steads have created what could become a read-aloud classic, perfect for families to enjoy together."--The Horn Book "Artful and meta and elegant"--The Wall Street Journal "Should inspire readers young and old to seek further adventures with Twain."--The Washington Post

Everyone knows the story of the raft on the Mississippi and that ol' whitewashed fence, but now it ' s time for youngins everywhere to get right acquainted with the man behind the pen. Mr. Mark Twain! An interesting character, he was...even if he did sometimes get all gussied up in linen suits and even if he did make it rich and live in a house with so many tiers and gazebos that it looked like a weddin ' cake. All that ' s a little too proper and hog tied for our narrator, Huckleberry Finn, but no one is more right for the job of telling this picture book biography than Huck himself. (We ' re so glad he would oblige.) And, he ' ll tell you one thing—that Mr. Twain was a piece a work! Famous for his sense of humor and saying exactly what ' s on his mind, a real satirist he was—perhaps America ' s greatest. Ever. True to Huck ' s voice, this picture book biography is a river boat ride into the life of a real American treasure.

A humorist, narrator, and social observer, Mark Twain is unsurpassed in American literature. Best known as the author of The Adventures of Huckleberry Finn, Mark Twain, not unlike his protagonist, Huck, has a restless spirit. He found adventure prospecting for silver in Nevada, navigating steamboats down the Mississippi, and making people laugh around the world. But Twain also had a serious streak and decried racism and injustice. His fascinating life is captured candidly in this enjoyable biography.

Life on the Mississippi (1883) is a memoir by Mark Twain of his days as a steamboat pilot on the Mississippi River before the American Civil War. It is also a travel book, recounting his trip along the Mississippi River from St. Louis to New Orleans many years after the war. The book begins with a brief history of the river as reported by Europeans and Americans, beginning with the Spanish explorer Hernando de Soto in 1542. It continues with anecdotes of Twain's training as a steamboat pilot, as the 'cub' (apprentice) of an experienced pilot, Horace E. Bixby. He describes, with great affection, the science of navigating the ever-changing Mississippi River in a section that was first published in 1876, entitled "Old Times on the Mississippi". Although Twain was actually 21 when he began his training, he uses artistic license to make himself seem somewhat younger, referring to himself as a "fledgling" and a "boy" who "ran away from home" to seek his fortune on the river, and playing up his own callowness and naïveté.

This is the only authoritative text of this late novel. It reproduces the manuscript which Mark Twain wrote last, and the only one he finished or called the "The Mysterious Stranger." Albert Bigelow Paine's edition of the same name has been shown to be a textual fraud.
