The concept of containers is crucial to MLA style. When the source being documented forms part of a larger whole, the larger whole can be thought of as a container that holds the source. For example, a short story may be contained in an anthology. The short story is the source, and the anthology is the container.

MLA is a particular style or format (a set of rules, essentially) for structuring an essay or a research paper. The style helps your professor see exactly where you found the research that you add to the paper and lays out exactly how the paper should look (margins, titles, page numbers, etc.). How
