Okay, release day plus one. What can I say, I'm a little distracted these days. Anyway, yesterday marks the release of my seventh novel, MORNING GLORY, the story of a plucky television news producer and the dueling co-anchors she must wrangle if she wants her show to survive. This book was so much fun to write. I loved doing a novelization, of figuring out how to take someone else's ...

Now a major motion picture from Paramount Pictures  
BREAKING NEWS: Ambitious young TV producer Becky Fuller is fired from a local morning show in New Jersey, and her career begins to look as bleak as her hapless love life. Desperately in need of a job, yet still full of boundless optimism, Becky vows to land on her feet and stumbles into an opportunity at Daybreak, a floundering network morning news program in New York City. Abysmal ratings are only the tip of the iceberg: Executive producers seldom survive beyond the next commercial break, and the outdated cameras belong in the Smithsonian. Promising the head of the network that she can reverse the downward spiral, Becky makes legendary newscaster Mike Pomeroy an offer he can't contractually refuse. She successfully adds Pomeroy to the team, but he refuses to participate in any Daybreak fluff pieces and morning show staples like celebrity gossip, weather, fashion, and crafts. What's more, he takes an instant dislike to his equally difficult co-anchor, Colleen Peck, a former beauty queen. The only bright spot in Becky's career is Adam Bennett, a gorgeous fellow producer, but Daybreak's dysfunction spells trouble for their blossoming relationship. As Mike and Colleen's on-air chemistry proves more explosive every day, Becky must scramble to save her love life, her reputation, her job, and, ultimately, Daybreak itself. From the Trade Paperback edition.

Becky Fuller, responsable de production de journaux télévisés, vient d'être renvoyée du programme pour lequel elle travaillait. Et sans diplôme, elle n'a d'autres choix que d'accepter la proposition qu'on lui fait : reprendre l'émission matinale Daybreak, qui

coule à la vitesse du Titanic, et la remettre à flots. Pour relancer l'audimat, Becky décide de faire appel au présentateur vedette Mike Pomeroy. Mais ce dernier est catégorique, il refuse tout net de présenter une émission d'une telle médiocrité. Potins mondains, météo des plages et dernières tendances des stars, très peu pour lui ! Seulement, il n'est pas tellement en mesure de refuser... Et le comble, c'est qu'on lui colle une coprésentatrice dans les pattes : Colleen Peck, ancienne reine de beauté, elle, totalement versée dans l'art de ce genre de programmes. Alors que Mike et Colleen se prennent le bec hors caméra, puis carrément sous l'oeil des téléspectateurs, Becky lutte pour sauver son couple, sa réputation, son job et cette fichue émission, avant qu'elle ne disparaisse définitivement des grilles de programmation !
