From the author of So B. It, a super charming middle-grade Napoleon Dynamite with heart - the tale of a very average boy who's put in his school's spotlight when his averageness appeals to a TV show. Oggie doesn't think this is anything special -- but his whole school will soon be disagreeing with him. Because after he inadvertently charves during a nationwide hunt for unusual talents, his charving puts him on the path to fame and fortune. Suddenly, he's the star of the school . . . but he's not sure that he wants to shine that way. This is Sarah Weeks at her best -- funny, clever, and kid-friendly.
