Politics in America, 2018 Elections and Updates ... - Pearson

Politics in America's theme of constant competition for power and resources - "who gets what" - has never been more relevant because of the intense political conflict of the most expensive presidential campaign in American history.

Politics in America, Alternate Edition - Pearson

In 1936, Harold Lasswell defined politics as a struggle over the allocation of values and resources in a society. More precisely, he defined politics as a contest over "who gets what, when, and how" — a competition for resources . In Politics in America, Tom Dye employs this classic, and still
