"In *The First Samurai*, you'll discover the amazing true story of Taira Masakado, Japan's first samurai hero. This account traces the roots of Masakado's "bloody feud with local rivals, including his uncles and brothers-in-law. It explains how apparently trifling squabbles grew into years of bitter provincial warfare involving thousands of highly trained samurai." "Filled with harrowing battle scenes, portraits of early Japan, and astounding legends of Masakado's celebrated life after death, *The First Samurai* is a must-

Australian republicanism has moved to the centre of our national agenda and is likely to be achieved within the next generation. However, the details of that republican government have yet to emerge. This updated version of Monarchy to Republic provides the latest developments in public opinion and arguments for and against retaining a monarchy. George Winterton focuses on the practical constitutional and governmental issues involved in establishing an Australian republic. An important reference work, Monarchy to Republic now includes the latest developments in public opinion, arguments for and against retaining the monarchy, and recent constitutional developments.
