Rules for a Knight is a novel written by Ethan Hawke and illustrated by Ryan Hawke. The story takes place in the 15th century and is written in the form of a letter from the novel's protagonist, Sir Thomas Lemuel Hawke, to his four children. The novel recounts episodes of Sir Hawke's life as a knight and offers advice to the reader on a variety of topics such as love and chivalry.

Rules for a Knight is a quick and uplifting read. The premise of the book is a fictional letter written by a knight to his children in 1483 on the eve of a battle that would take his life. The letter provides a guideline for living an upright and virtuous life with anecdotes and pearls of wisdom.

Rules for a Knight by Ethan Hawke - Goodreads

This book contains a number of "rules for a knight," which are lessons on how to live better. For example, 1) never announce that you are a knight, simply behave as one and 2) the only intelligent response to the ongoing gift of life is gratitude, and 3) how a knight lives is what is important, not on which particular afternoon he was born or on which specific morning he might die.

"It is 1483, and Sir Thomas Lemuel Hawke, a Cornish knight, is about to ride into battle. On the eve of his departure, he composes a letter to his four young children, consisting of twenty virtues that provide instruction on how to live a noble life, and on all the lessons, large and small, that he might have imparted to them himself were he not expecting to die on the battlefield. "Why am I alive? Where was I before I was born? What will happen to me when I die? Whatever well our lives are drawn from, it is deep, wild, mysterious, and unknowable..."Rules for a Knight is many things: a code of ethics; an intimate record of a lifelong quest; a careful recounting of a knight's hardest won lessons, deepest aspirations, and most richly instructive failures; and an artifact, a relic of a father's exquisite love. Drawing on the ancient teachings of Eastern and Western philosophy and religion, on literature, and poetry, and on the great spiritual and political writings of our time, Ethan Hawke has written a parable that--in the story of a young man's journey toward a life of authenticity and meaning--captures the instinctive movement of the heart toward truth and beauty. Rules for a Knight has the appeal of Arthurian legend; the economy of Aesop; and the vitality, intelligence, and risk-taking that could only emanate from Ethan Hawke"--

series of ruminations on solitude, humility, forgiveness, honesty, courage, grace, pride, and patience, he draws on the ancient teachings of Eastern and Western philosophy, and on the great spiritual and political writings of our time. His intent: to give his children a compass for a journey they will have to make alone, a short guide to what gives life meaning and beauty.

'Never announce you are a Knight, simply behave as one. You are better than no one, and no one is better than you.' When Sir Thomas Lemuel Hawke was a boy, his grandfather taught him how to be a knight. Now, on the eve of a battle from which he fears he may not return, Sir Thomas writes a letter to his children so that he may pass on all his hard-won lessons, deepest aspirations and most instructive failures. Full of adventure and wit, the letter provides a guide for living a good and noble life – a reminder that without a little agony none of us would bother to learn a thing; that we must work together as brothers or perish together as fools; that a friend loves you because you are true to yourself, not because you agree with him. And, most importantly, it shows that there is no obstacle that enough love cannot move.

Hawke's narrator is a young man in torment, disgusted with himself after the collapse of his marriage, still half-hoping for a reconciliation that would allow him to forgive himself and move on as he clumsily, and sometimes hilariously, tries to manage the wreckage of his personal life with whiskey and sex. What saves him is

theater: in particular, the challenge of performing the role of Hotspur in a production of Henry IV under the leadership of a brilliant director, helmed by one of the most electrifying--and narcissistic--Falstaffs of all time. A novel about shame and beauty and faith, and the moral power of art.

The year is 1872. The place, the Apache nations, a region torn apart by decades of war. The people, like Goyahkla, lose his family and everything he loves. After having a vision, the young Goyahkla approaches the Apache leader Cochise, and the entire Apache nation, to lead an attack against the Mexican village of Azripe. It is this wild display of courage that transforms the young brave Goyahkla into the Native American hero Geronimo. But the war wages on. As they battle their enemies, lose loved ones, and desperately cling on to their land and culture, they would utter, "Indeh," or "the dead." When it looks like lasting peace has been reached, it seems like the war is over. Or is it? Indeh captures the deeply rich narrative of two nations at war--as told through the eyes of Naiches and Geronimo--who then try to find peace and forgiveness. Indeh not only paints a picture of some of the most magnificent characters in the history of our country, but it also reveals the spiritual and emotional cost of the Apache Wars. Based on exhaustive research, Indeh offers a remarkable glimpse into the raw themes of cultural differences, the horrors of war, the search for peace, and, ultimately, retribution. The Apache left an indelible mark on our perceptions about the American West, and Indeh shows us why.

Jimmy, AWOL from the army, heads across America in a souped-up Chevy with his pregnant girlfriend, Christy, transforming themselves from lovers into a young family along the way.

William, an aspiring twenty-year-old actor, moves to New York to pursue his career, only to begin an obsessive love affair that ends in heartbreak

I'm one of four Willow daughters. He's the first-born son of the Scafoni family. And we have history. For generations, the Scafoni family have demanded a sacrifice of us. A virgin daughter to atone for sins so old, we don't even remember what they are anymore. But when you have as much money as they do, you don't play by the rules. You make them. And Sebastian Scafoni makes all the rules. The moment I saw him, I knew he would choose me. Even though the mark on my sheath declared me unclean. Even though my beautiful sisters stood beside me, offered to him, he still chose me. He made me his. And then he set out to break me.
