Seriously Im Kidding Ellen Degeneres

Seriously...I'm Kidding by Ellen DeGeneres is a goofy, cute, and at-times comical book. Each chapter/section is random and does not make sense at some parts. If you like Ellen's brand of humour then this is a nice escape for a few hours. It's also a very quick read meant to pass the time.

In Seriously... I'm Kidding, Ellen takes us on a journey through her world in the spotlight and her innermost weird thoughts. She describes situations that are too strange to be true and more than once makes us laugh out very (!) loud. So be careful if you are in public. Let's just hope you don't read on an e-reader or listen to the audiobook.

Seriously...I'm Kidding Book Review: Ellen DeGeneres's winning, upbeat candor has made her show one of the most popular, resilient, and honored daytime shows on the air, and her life makes for great (and very funny) reading. Relatable, her first stand-up special in 15 years, airs on Netflix beginning December 18, 2018.
