Our themes reflect ISS commitment to critical and socially engaged research. They are at the heart of important political and societal debates that are taking place both in Europe and globally and are a reflection of the attention to global and universal societal challenges. By focusing on these themes, ISS aims to provide analyses of migration, conflict, climate change and inequality that reflect out commitment to critical and socially engaged academic research.

Research themes - International Institute of Social Studies

Social studies programs should include experiences that provide for the study of the ideals, principles, and practices of citizenship in a democratic republic. An understanding of civic ideals and practices is critical to full participation in society and is an essential component of education for citizenship, which is the central purpose of social studies.

All the themes your social sec should be doing but aren't

The themes are interrelated, and a school course in a social studies discipline is likely to touch on more than one theme. For example, the use of the NCSS standards might support a plan to teach about the topic of the U.S. Civil War by drawing on three different themes: Theme 2 (TIME, CONTINUITY, AND CHANGE); Theme 3 (PEOPLE, PLACES, AND ENVIRONMENTS); and Theme 10 (CIVIC IDEALS AND PRACTICES).
