Strategic Communication in Business and the Professions

Defining Strategic Communication. Strategic communication is a term used to denote the higher-level concerns behind communicative efforts by organizations to advance organizational mission. It is, therefore, inherently multidisciplinary as work in this area draws on literature from a wide array of other subfields, including public relations, marketing, advertising, and management.

Strategic Communication—Communication—Oxford

Explaining the strategic focus of the business and how it creates value for the customer and stakeholders helps employees understand how their work links directly to the success of the organization. Strategic communication that ties the organization's objectives to its core values and mission sustains momentum, increases personal drive and pride in the organization.

The Power of Strategic Communication

The MSc Strategic Communications moves beyond a purely vocational approach to the making of messages to offer you an approach to strategic communication that reflects: the changing means of communication, image making and storytelling in the organisational environment today; the expanding strategic ends of selling not only products and ideas/ideals but also places and experiences in an increasingly mediated and networked world, especially through branding; and the increasingly complex ...

MSc Strategic Communications—LSE Home

Strategic communications helps an organization share a clearly defined message with everyone involved with that organization -- internally and externally. It is an intentional process that looks at what each audience within the group needs to hear from you.

How to Write a Strategic Communications Plan: 8 Steps

Strategic advertising communication can be done through traditional print ads, television marketing campaigns and social media. While in-house communication can be held through video conferences, online presentations or communication apps like Slack or Microsoft Teams.

What is Strategic Communication?

Strategic communication can mean either communicating a concept, a process, or data that satisfies a long term strategic goal of an organization by allowing facilitation of advanced planning, or communicating over long distances usually using international telecommunications or dedicated global network assets to coordinate actions and activities of operationally significant commercial, non-commercial and military business or combat and logistic subunits. It can also mean the related function wit

Strategic communication—Wikipedia

Communication strategy is a plan to achieve communication objectives. This may apply to internal communications, marketing communications and public relations. A communication strategy has four major components: communication goals, target audience, communication plan and channels. The following are illustrative examples.

4 Examples of a Communication Strategy—Simplilearn

The MSc Strategic Communication at the University of Liverpool in London offers a cross-disciplinary education with a distinctive focus on: How corporate leaders, governments, public institutions, NGOs and even celebrities make use of narrative and argument to build consensus and dialogue with stakeholders and to (re)construct their identity, reputation and trustworthiness, especially in crisis situations.
