I was looking for a specific book on my classics shelf when I
came across Sweet November. I remembered the 1960s-era
movie being sweet and sad but beyond that . . . nothing. It's
only about 142 pages long and seemed like a good fit for the
moment (till I find that other book).

Sweet November by Aiken Morewood. "I can't even make a disturbance when I stamp my feet," he said. "I am a walking whisper. A hush . . . a piece of soft, worn cotton fluff." [p. 55] You can see Sweet November (published in 1968) is far from a new release. More than likely, I spent a quarter on that used copy at left.
