The National Front (NF) is a far-right, fascist political party in the United Kingdom.It is currently led by Tony Martin. As a minor party, it has never had its representatives elected to the British or European Parliaments, although it gained a small number of local councillors through defections, and it has had a few of its representatives elected to community councils.

The wooden spoons that you see hanging in the streets of Spitalfields indicate houses where Huguenots once resided. These symbols were put there in 1985, commemorating the tercentenary of the Revocation of the Edict of Nantes which brought the Huguenots to London and introduced the word 'refugee' to the English language.
