spot all kinds of wildlife in their natural setting, and enumerate them in English and Swahili.

We All Went on Safari: A Counting Journey Through Tanzania ...

We All Went on Safari is a story about a group of friends who go on a counting safari through the Serengeti in Tanzania. As you join them on their journey in this beautiful picture book, you encounter various animals that live there. Each child in the story counts the animals in English but you get to learn the numbers in Swahili too.

We all went on safari, When the day had just begun. We spied a lonely leopard. Arusha counted one. 1 = Moja (mo-jah) We all went on safari, Over grasslands damp with dew. We came across some ostriches, And Mosi counted two. 2 = Mbili (m-bee-lee) We all went on safari, Past an old acacia tree. Nearby giraffes were grazing, So Tumpe counted three. 3 = Tatu (ta-too) We all went on safari, To the ancient crater floor.

and secrets about the African bushveld. At the same time, they show how young children everywhere can become advocates for wild animals. Let's Go on Safari! combines daily entries in Kate's African safari journal with insights from Michelle about the bushveld and wildlife. Kate discovers the wonders of wildlife contrasted with the threats that animals face. She is inspired to make a difference. The book provides examples of small-scale, achievable animal advocacy projects that kids can initiate in their own communities and schools. Let's Go on Safari! has been endorsed by significant conservation

With repeating sounds and words, beginning readers will grow their reading confidence as they laugh about the cat and the rat and their sibling-style squabble.

Travel through the zoo and learn about zoo animals through rhyme. Count up all of the animals you have seen. Includes section "For Creative Minds" with cards and activities.

This exuberant picture book demonstrates key math concepts to children as ten math-loving chicks make a new friend. As the Arithmechicks slide down the slide, swing on

Read Book We All Went On Safari English And Swahili Edition

the swings, and play hide-and-seeK, they don't realize that a lonely mouse is copying them, longing to join in. However, when their basketball becomes stuck, the chicks discover that a two-inch-tall new friend is exactly what they need. In this heartwarming story, there are many ways to add up ten cheerful chicks--but a new friend is what makes them cheer. The book includes a helpful glossary that defines the eight arithmetic strategies the chicks use throughout the story, providing a playful introduction to essential math for young children and their caregivers.
