~~Subscription Website — What Doctors Don't Tell You Magazine~~

What Doctors Don't Tell You is a health advice magazine with articles on how to beat asthma, arthritis, cancer, depression and other chronic conditions. It focuses on alternative health treatments that have been scientifically proven to work. Our main work is producing the long research articles that can make a big difference to people's health.

~~What Doctors Don't Tell You Magazine — March 2020 ...~~

What Doctors Don't Tell You has been notorious for years as a source of misleading health claims, ranging from the dubious to the downright dangerous. Good Thinking has aired our concerns over the pseudoscientific claims within the magazine for years, including congratulating WH Smith when they withdrew it from stock in 2014, successfully challenging the wisdom of the Steve Wright show on BBC Radio 2 when they aired an uncritical interview with the magazine's editor Lynne McTaggart in ...
